

FACILITY RENTAL, RESERVATION & USAGE FEES

Rates effective January 1, 2008

Officially recognized student organizations of the University are not assessed a rental fee to reserve facility space for either long-term or one-time reservations in which the majority of attendees are currently enrolled, fee-paying UNC-Chapel Hill students. However, a rental fee will be assessed for student organization hosted events in which more than 50% of the attendees are non-UNC Chapel Hill students (does not apply to Campus Recreation Sports Clubs).

UNC speciality camps (including sports camps) are classified as "UNC Affiliated Groups."

Full day rental fee applied to reservations of five hours or more per day
